Dear Barry

Thank you so much to the Board at Guildford Lions for agreeing to fund a low energy portable heater for one of our families. It has already made an enormous difference.

Home-Start in Waverley provides a unique service responding directly to families' individual needs by providing a lasting and positive impact on the development of children, and health and welfare of families. We can only continue to provide this service through the generosity of community groups and organisations like yourselves, and we are very grateful for your support.

Best regards
